

CADR Capacity Building Webinar cum Law Practicum Series

27th August 2021

Centre for Alternative Dispute Resolution organised second lecture in **Capacity Building Webinar Series cum Law Practicum on Arbitration** on 27th August 2021. The lecture was on the topic '*Essentials in the Framing of Arbitration Agreements*'. The lecture was organized in association with Beihai Asia International Arbitration Centre (BAIAC). The event was presided by Prof. Steve Ngo, President, BAIAC. He deliberated on the ways of drafting arbitration agreement. He also drew attention to the fallacies in drafting. Prof. Steve Ngo referred to arbitration agreement under Model Law and New York Convention and the specifications of Pathological Arbitration Agreement. Queries related to the topic were also taken up after the lecture. 176 students attended the lecture.
