CASEL lecture on Carbon Credits and Risk Assessment in Energy Projects

The Centre for Advanced Studies in Energy Laws (CASEL) RGNUL, Punjab organised lecture on **Carbon Credits and Risk Assessment in Energy Projects** (on 21st September 2021). The lecture was conducted to sensitise the participants about energy laws. Mr. Prashanth Sabeshan, Partner, AZB & Partners and Ms. Raagya Zadu, Research Scholar, NLSIU Energy and Environment Law & Sr. Legal Consultant, Corporate Consultants were resource persons for the workshop. They explored the several dimensions of energy sector. Speaking on the topic “Carbon Credits”, Mr. Sabeshan elaborated on the regulatory regime in India, sealing of voluntary carbon market and challenges faced in implementation of policies. While taking up ‘Risk Assessment of Clean Energy Projects in India’, Ms. Zadu delved into issues of green renewable projects, solar energy, wind projects and nuclear projects.
